## IN MEMORY OF ALDO VARENNA

*It is with great sadness the the Foundation Board, the Executive Committee and the Advisory Board have to announce the unexpected passing of Aldo Varenna, at the age of 55. Aldo has been a member of the Executive Committee of the CIFA Foundation since its creation in 2001, where he was the voice of the Italian financial intermediaries as the representative of ANASF and EFPA Italia. Aldo has been an example of commitment to the just cause of defending the inverstors' rights, the major objective of our Foundation. The loss of his expert advice is invaluable.*

*The entire CIFA community worldwide expresses its most sincere condolences to the family. We will honor his memory during our next Forum in Monaco in 2017.*

*In the name of the Foundation Board, the Executive Committee and the Advisory Board,*

*Pierre Christodoulidis, President & Jean-Pierre Diserens, Secretary-General*
