

## CIFA 2015 - Special Coverage

Wednesday 22nd of April 2015 12:00:00 AM

The Convention of Independent Financial Advisors (CIFA) kicked off their thirteenth International Forum in Monaco, bringing finance experts and policy-makers together for spirited discussions about some of the most important topics in the world of financial economics today.

The second day of the 13th International CIFA Forum continued the organization's tradition of a series of expert panels exploring major topics and debates within the world of finance, politics, and economic policy.

The third and final day of the 13th International CIFA Forum welcomed financial advisors and experts from around the world discussing new trends and best practices in the areas of financial advising, policy-making and planning.
